Pre-conference arts and cultural immersion program in Quebec City—October 7-9, 2024

Montréal is renowned for its arts and culture scene and in 2006 was designated as a UNESCO City of Design. With a thriving art scene, the City has emerged as one of the most exciting places on the continent for boundary-breaking art. In October 2024, you will be able to explore its impressive offerings in everything from artsy cafes, to galleries and museums, to among the City streets.

A hotbed of arts and culture, Montréal's Quartier de Spectacles downtown entertainment district literally pulses with life, light and talent all year long. Night or day, the Quartier de Spectacles welcomes diverse visitors to its more than 80 cultural venues and eight public spaces offering a diverse array of activities, including no less than 40 festivals, movies, plays, dance performances, art exhibitions, technological art displays, music concerts, operas, comedy shows and more all year round. The Quarter des Spectacles has developed into a world-class cultural destination that attracts millions of visitors each year.

Montréal has an abundance of exciting and vibrant activities and events dedicated to promoting the diverse cultures and traditions of Canada, including work from Indigenous, First Nation, Métis and Inuit communities. Everything from arts and crafts to language and history, the City provides opportunities to learn the history of Indigenous arts and cultures in Quebec. Montréal is also home to diverse Francophone arts that highlight the Québécois.

This year's conference is a unique opportunity to join friends and colleagues from both the International and Canadian Associations of Fine Arts Deans for a rich autumn experience in Montréal.
