- An aerial photograph of a university campus. In the center, a tall, ornate Gothic-style tower with red brick and white stone accents stands prominently. The tower has multiple levels of arched windows and a decorative top. The campus is lush with green trees, some with yellowing leaves, suggesting a spring or early summer setting. A paved walkway leads towards the tower, and several people can be seen walking on it. The sky is clear and blue. Overlaid on the lower half of the image is a semi-transparent dark rectangle containing a list of five numbered points in white text.
